What some of our couples say about her:

You made our wedding so personal and such an intimate event. We looked into other wedding planners in Costa Rica, but none came close to what you and Costa Rica Weddings offered. I will highly recommend you to anyone who asks, "How do you get married in Costa Rica?" Jackie Duda

You are in our thoughts as you perform more of these magical events for people--whatever you do, please don't stop this service--as your words during the service, the flowers and all, surpassed our expectations. Many, many thanks, Chris and Jackie Leighton

Thank You! Lorena really made our wedding so special! Please send our pic to the hotel people. Blessings: Mark and Jane.

Hi Lorena, We just wanted to thank you again for our beautiful ceremony. Your speech was so romantic and perfect (a little too perfect as we could not stop crying!) We have spent years together planning weddings and dreaming of how it would turn out, and we are truly happy with the way it finally happened. Finally, please thank the photographer again for us--we can't wait to see the pictures! Sincerely, Michele and Joe Athens, GA
