Wedding Flowers

In Costa Rica Weddings, we have many arrangements and partnerships with the best florist and decor designers available in the country.

If you want to provide additional atmosphere to your ceremony and reception, we will make sure that you receive the best professional help, with the lower price.

Whenever is possible, we will use florists near your wedding location, in order to assure lower prices, freshness, and adjusted response time. We are the only ones in Costa Rica that accept flower orders of any kind as near as 48 hours prior the wedding.

Flower Packages & Options:

Our flower packages and custom designs span from modest to extravagant, from relaxed and informal to elegant and sophisticated. What's your style? A formal set-up, casual beachside, or an exotic tropical ceremony?

Whatever your dream, we make a complicated process, simple and worry-free.

Take a look of some options that we have created for you, but remember that we will be happy to create a unique wedding package especially for you!
